ADVENT/CHRISTMAS – LOVING

Teacher's page

EXPLORE

Gifts, given and received, are a sign and expression of love.

Q Which of the gifts you have received do you treasure most?

Q Why do you treasure them?

Q When have you experienced someone giving of themselves to you?

Q Reflect on times in your life when you give of yourself to others?

Q How does this feel?

REVEAL

Advent is a time when we appreciate the love in our lives and prepare to celebrate love becoming a reality in the person of Jesus. Christians at Christmas celebrate the gift of Jesus, given by God as a sign and expression of God's love. Giving and receiving reflects the truth that all life is given by God and life is given meaning through the gift of Jesus.

Word of God

"This is what love is: it is not that we have loved God, but that he loved us and sent his Son to be the means by which our sins are forgiven. Dear friends, if this is how God loved us, then we should love one another. No one has ever seen God, but if we love one another, God lives in union with us, and his love is made perfect in us." (1 John 4: 10-12)

Catechism of the Catholic Church

"Christ's whole earthly life – his words and deeds, his silences and sufferings, indeed his manner of being and speaking – is *Revelation* of the Father. Jesus can say: 'Whoever has seen me has seen the Father', and the Father can say: 'This is my Son, my Chosen; listen to him!' Because our Lord became man in order to do his Father's will, even the least characteristics of his mysteries manifest 'God's love ... among us.'" (CCC516)

Q In what ways are you aware of how others are affected by your giving?

RESPOND

Q How do the children and staff experience Jesus in the daily events of the school?

Q How do you give the children experience of being valued and of valuing others?

Prayer and Reflection

LEARNING FOCUS 6: The story of Christingle, sharing our love.

CONTENT | WHOLE CLASS CORE INPUT

A long time ago a Bishop called John De Watteville wanted to find a way to tell the children in his village about Jesus, and about God's promises. He prayed and God gave him a very good idea. Indeed, it was such a good idea, that it is still used around the world. The next time Bishop John went to see the children in his village, he took an orange. He showed the children how round the orange was and full of goodness. He explained to the children that it was like the world that God had made – big and round and full of goodness.

Then John pressed four little sticks into the orange to be the four seasons of the year – spring, summer, autumn and winter – and onto the sticks he pushed some sweets and fruits and nuts. He explained to the children that these lovely things remind us of all the gifts God has given us in the world. Next John took a small candle and pushed it into the top of the orange. He told the children that the candle tells us that God sent his son, Jesus, to be the Light of the World – to shine God's special light into all the places and hearts that were dark. Carefully he lit the candle so the children could see that God's light really does make a difference in our dark world. This was the first Christingle.

Explain to the children that the Christingle helps us to understand God's love and why he sent Jesus to be the light of the world. Look at lots of examples of different types of Christmas cards and how they depict God's love in sending his son Jesus
